

## **Appendix 18 Constitutional and Policy Review**

Artsound has been reviewing its constitution and policies to ensure they are up to date and compliant with the changes to the Act etc.

Our pro-bono lawyers have provided advice on needed updates to the constitution and our policies (grievance, disciplinary, volunteer and member policies were updated accordingly).

Others are still under the review process.

There have been recent changes to the Act in the Australian Capital Territory which affects the review process. We will however, now be able to complete updating our constitution within the most recent requirements of the Act as possible. We anticipate this will be completed before the end of 2019.
